(A) carriers, lessors, associations, or classes of them as the Secretary may prescribe, to file annual, periodic, and special reports with the Secretary containing answers to questions asked by the Secretary; and

(B) a person furnishing cars or protective service against heat or cold to a rail carrier to file reports with the Secretary containing answers to questions about those cars or service.

(c) The Secretary, or an employee (and, in the case of a motor carrier, a contractor) designated by the Secretary, may on demand and display of proper credentials—

(1) inspect the equipment of a carrier or lessor; and

(2) inspect and copy any record of—

(A) a carrier, lessor, or association;

(B) a person controlling, controlled by, or under common control with a carrier, if the Secretary considers inspection relevant to that person’s relation to, or transaction with, that carrier; and

(C) a person furnishing cars or protective service against heat or cold to or for a rail carrier if the Secretary prescribed the form of that record.

(d) The Secretary may prescribe, the time period during which records must be preserved by a carrier, lessor, and person furnishing cars or protective service.

(e)(1) An annual report shall contain an account, in as much detail as the Secretary may require, of the affairs of a carrier, lessor, or association for the 12-month period ending on the 31st day of December of each year. The annual report shall be filed with the Secretary by the end of the 3d month after the end of the year for which the report is made unless the Secretary extends the filing date or changes the period covered by the report.

(2) The annual report and, if the Secretary requires, any other report made under this section shall be made under oath.

(f) No part of a report of an accident occurring in operations of a motor carrier, motor carrier of migrant workers, or motor private carrier and required by the Secretary, and no part of a report of an investigation of the accident made by the Secretary, may be admitted into evidence or used in a civil action for damages related to a matter mentioned in the report or investigation.

§ 505. Arrangements and public records

(a) The Secretary of Transportation may require a motor carrier, motor carrier of migrant workers, or motor private carrier to file a copy of each arrangement related to a matter under this

chapter that it has with another person. The Secretary may disclose the existence or contents of an arrangement between a motor contract carrier and a shipper filed under this section only if the disclosure is consistent with the public interest and is made as part of the record in a formal proceeding.

(b) Except as provided in subsection (a) of this section, all arrangements and statistics, tables, and figures contained in reports filed with the Secretary by a motor carrier under this chapter are public records. Such a public record, or a copy or extract of it, certified by the Secretary under seal is competent in a proceeding of the Secretary, and, except as provided in section 504(f) of this title, in a judicial proceeding.

§ 506. Authority to investigate

(a) The Secretary of Transportation may begin an investigation under this chapter on the initiative of the Secretary or on complaint. If the Secretary finds that a rail carrier, motor carrier, motor carrier of migrant workers, or motor private carrier is violating this chapter, the Secretary shall take appropriate action to compel compliance with this chapter. The Secretary may take action only after giving the carrier notice of the investigation and an opportunity for a proceeding.

(b) A person, including a governmental authority, may file with the Secretary a complaint about a violation of this chapter by a carrier referred to in subsection (a) of this section. The complaint must state the facts that are the subject of the violation. The Secretary may dismiss a complaint the Secretary determines does not state reasonable grounds for investigation and action. However, the Secretary may not dismiss a complaint made against a rail carrier because of the absence of direct damage to the complainant.

(c) The Secretary shall make a written report of each proceeding involving a rail carrier or motor carrier conducted and furnish a copy to each party to that proceeding. The report shall include the findings, conclusions, and the order of the Secretary. The Secretary may have the reports published for public use. A published report of the Secretary is competent evidence of its contents.

§ 507. Enforcement

(a) The Secretary of Transportation may bring a civil action to enforce—

(1) an order of the Secretary under this chapter when violated by a rail carrier; and

(2) this chapter or a regulation or order of the Secretary under this chapter when violated by a motor carrier, motor carrier of migrant workers, motor private carrier, or freight forwarder.

Such district court shall have jurisdiction to determine any such action and may grant such relief as is necessary or appropriate, including mandatory or prohibitive injunctive relief, interim equitable relief, and punitive damages.

(d) A person injured because a rail carrier or freight forwarder does not obey an order of the Secretary under this chapter may bring a civil action to enforce that order under this subsection.

(e) In a civil action brought under subsection (a)(2) of this section against a motor carrier, motor carrier of migrant workers, or motor private carrier—

(1) trial is in the judicial district in which the carrier operates;

(2) a person who has complied with such a request; or

(3) the agents or insurers of a person described in paragraph (1) or (2).

(b) RESTRICTIONS ON APPLICABILITY.—

(1) MOTOR CARRIER REQUESTING.—Subsection (a) does not apply to a motor carrier requesting safety performance records unless—

(A) the motor carrier and any agents of the motor carrier have complied with the regulations issued by the Secretary in using the records, including the requirement that the individual who is the subject of the records be afforded a reasonable opportunity to review and comment on the records;

(B) the motor carrier and any agents and insurers of the motor carrier have taken all precautions reasonably necessary to protect the records from disclosure to any person, except for such an insurer, not directly involved in deciding whether to hire that individual; and

(C) the motor carrier has used those records only to assess the safety performance of the individual who is the subject of those records in deciding whether to hire that individual.

(2) PERSON COMPLYING WITH REQUESTS.—Subsection (a) does not apply to a person complying with a request for safety performance records unless—

(A) the complying person and any agents of the complying person have taken all precautions reasonably necessary to ensure the accuracy of the records and have complied with the regulations issued by the Secretary in furnishing the records, including the requirement that the individual who is the subject of the records be afforded a reasonable opportunity to review and comment on the records; and

(c) PREEMPTION OF STATE AND LOCAL LAW.—No State or political subdivision thereof may enact, prescribe, issue, continue in effect, or enforce any law (including any regulation, standard, or other provision having the force and effect of law) that prohibits, penalizes, or imposes liability for furnishing or using safety performance records in accordance with regulations issued by the Secretary to carry out this section. Notwithstanding any provision of law, written authorization shall not be required to obtain information on the motor vehicle driving record of an individual under consideration for employment with a motor carrier.

SUBCHAPTER II—PENALTIES

§ 521. Civil penalties

(a)(1) A person required under section 504 of this title to make, prepare, preserve, or submit to the Secretary of Transportation a record about rail carrier transportation, that does not make, prepare, preserve, or submit that record as required under that section, is liable to the United States Government for a civil penalty of \$500 for each violation.

(2) A rail carrier, and a lessor, receiver, or trustee of that carrier, violating section 504(c)(1) of this title, is liable to the Government for a civil penalty of \$100 for each violation.

(3) A rail carrier, a lessor, receiver, or trustee of that carrier, a person furnishing cars or protective service against heat or cold, and an officer, agent, or employee of one of them, required to make a report to the Secretary or answer a question, that does not make a report to the Secretary or does not specifically, completely, and truthfully answer the question, is liable to the Government for a civil penalty of \$100 for each violation.

(4) A separate violation occurs for each day a violation under this subsection continues.

(5) Trial in a civil action under this subsection is in the judicial district in which the rail carrier has its principal operating office or in a district through which the railroad of the rail carrier runs.

(b)(1)(A) If the Secretary finds that a violation of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), 31310(g)(1)(A), or 31502 of this title, or a violation of a regulation issued under any of those provisions, has occurred, the Secretary shall issue a written notice to the violator. Such notice shall describe with reasonable particularity the nature of the violation found and the provision which has been violated. The notice shall specify the proposed civil penalty, if any, and suggest actions which might be taken in order to abate the violation. The notice shall indicate that the violator may, within 15 days of service, notify the Secretary of the violator's intention to contest the matter. In the event of a contested notice, the Secretary shall afford such violator an opportunity for a hearing, pursuant to section 554 of title 5, following which the Secretary shall issue an order affirming, modifying, or vacating the notice of violation.

(B) NONAPPLICABILITY TO REPORTING AND RECORD-KEEPING VIOLATIONS.—Subparagraph (A) shall not apply to reporting and recordkeeping violations.

(2) CIVIL PENALTY.—

(A) IN GENERAL.—Except as otherwise provided in this subsection, any person who is determined by the Secretary, after notice and opportunity for a hearing, to have committed an act that is a violation of regulations issued by the Secretary under subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title shall be liable to the United States for a civil penalty in an amount not to exceed \$10,000 for each offense. Notwithstanding any other provision of this section (except subparagraph (C)), no civil penalty shall be assessed under this section against an employee for a violation in an amount exceeding \$2,500.

(B) RECORDKEEPING AND REPORTING VIOLATIONS.—A person required to make a report to the Secretary, answer a question, or make, prepare, or preserve a record under section 504 of this title or under any regulation issued by the Secretary pursuant to subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title about transportation by motor carrier, motor carrier of migrant workers, or motor private carrier, or an officer, agent, or employee of that person—

(i) who does not make that report, does not specifically, completely, and truthfully answer that question in 30 days from the date the Secretary requires the question to be answered, or does not make, prepare, or preserve that record in the form and manner prescribed by the Secretary, shall be liable to the United States for a civil penalty in an amount not to exceed \$500 for each offense, and each day of the violation shall constitute a separate offense, except that the total of all civil penalties assessed against any violator for all offenses related to any single violation shall not exceed \$5,000; or

(ii) who knowingly falsifies, destroys, mutilates, or changes a required report or record, knowingly files a false report with the Secretary, knowingly makes or causes or permits to be made a false or incomplete entry in that record about an operation or business fact or transaction, or knowingly makes, prepares, or preserves a record in violation of a regulation or order of the Secretary, shall be liable to the United States for a civil penalty in an amount not to exceed \$5,000 for each violation, if any such action can be shown to have misrepresented a fact that constitutes a violation other than a reporting or recordkeeping violation.

(C) VIOLATIONS PERTAINING TO CDLS.—Any person who is determined by the Secretary, after notice and opportunity for a hearing, to have committed an act which is a violation of section 31302, 31303, 31304, 31305(b), or 31310(g)(1)(A) of this title shall be liable to the United States for a civil penalty not to exceed \$2,500 for each offense.

(D) DETERMINATION OF AMOUNT.—The amount of any civil penalty, and a reasonable time for abatement of the violation, shall by written order be determined by the Secretary, taking into account the nature, circumstances, extent, and gravity of the violation committed and, with respect to the violator, the degree of culpability, history of prior offenses, ability to pay, effect on ability to continue to do business, and such other matters as justice and public safety may require. In each case, the assessment shall be calculated to induce further compliance.

(3) The Secretary may require any violator served with a notice of violation to post a copy of such notice or statement of such notice in such place or places and for such duration as the Secretary may determine appropriate to aid in the enforcement of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), or 31502 of this title, as the case may be.

(4) Such civil penalty may be recovered in an action brought by the Attorney General on behalf of the United States in the appropriate district court of the United States or, before referral to the Attorney General, such civil penalty may be compromised by the Secretary.

(5)(A) If, upon inspection or investigation, the Secretary determines that a violation of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), or 31502 of this title or a regulation issued under any of those provisions, or combination of such violations, poses an imminent hazard to safety, the Secretary shall order a vehicle or employee operating such vehicle out of service, or order an employer to cease all or part of the employer's commercial motor vehicle operations. In making any such order, the Secretary shall impose no restriction on any employee or employer beyond that required to abate the hazard. Subsequent to the issuance of the order, opportunity for review shall be provided in accordance with section 554 of title 5, except that such review shall occur not later than 10 days after issuance of such order.

(B) In this paragraph, "imminent hazard" means any condition of vehicle, employee, or commercial motor vehicle operations which

substantially increases the likelihood of serious injury or death if not discontinued immediately.

(6) CRIMINAL PENALTIES.—

(A) IN GENERAL.—Any person who knowingly and willfully violates any provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title, or a regulation issued under any of those provisions shall, upon conviction, be subject for each offense to a fine not to exceed \$25,000 or imprisonment for a term not to exceed one year, or both, except that, if such violator is an employee, the violator shall only be subject to penalty if, while operating a commercial motor vehicle, the violator's activities have led or could have led to death or serious injury, in which case the violator shall be subject, upon conviction, for a fine not to exceed \$2,500.

(B) VIOLATIONS PERTAINING TO CDLS.—Any person who knowingly and willfully violates—

(i) any provision of section 31302, 31303(b) or (c), 31304, 31305(b), or 31310(g)(1)(A) of this title or a regulation issued under such section, or

(ii) with respect to notification of a serious traffic violation as defined under section 31301 of this title, any provision of section 31303(a) of this title or a regulation issued under section 31303(a),

shall, upon conviction, be subject for each offense to a fine not to exceed \$5,000 or imprisonment for a term not to exceed 90 days, or both.

(7) The Secretary shall issue regulations establishing penalty schedules designed to induce timely compliance for persons failing to comply promptly with the requirements set forth in any notices and orders under this subsection.

(8) PROHIBITION ON OPERATION IN INTERSTATE COMMERCE AFTER NONPAYMENT OF PENALTIES.—

(A) IN GENERAL.—An owner or operator of a commercial motor vehicle against whom a civil penalty is assessed under this chapter or chapter 51, 149, or 311 of this title and who does not pay such penalty or fails to arrange and abide by an acceptable payment plan for such civil penalty may not operate in interstate commerce beginning on the 91st day after the date specified by order of the Secretary for payment of such penalty. This paragraph shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11, United States Code.

(B) REGULATIONS.—Not later than 12 months after the date of the enactment of this paragraph, the Secretary, after notice and an opportunity for public comment, shall issue regulations setting forth procedures for ordering commercial motor vehicle owners and operators delinquent in paying civil penalties to cease operations until payment has been made.

(9) Any aggrieved person who, after a hearing, is adversely affected by a final order issued under this section may, within 30 days, petition for review of the order in the United States Court

of Appeals in the circuit wherein the violation is alleged to have occurred or where the violator has his principal place of business or residence, or in the United States Court of Appeals for the District of Columbia Circuit. Review of the order shall be based on a determination of whether the Secretary's findings and conclusions were supported by substantial evidence, or were otherwise not in accordance with law. No objection that has not been urged before the Secretary shall be considered by the court, unless reasonable grounds existed for failure or neglect to do so. The commencement of proceedings under this subsection shall not, unless ordered by the court, operate as a stay of the order of the Secretary.

(10) All penalties and fines collected under this section shall be deposited into the Highway Trust Fund (other than the Mass Transit Account).

(11) In any action brought under this section, process may be served without regard to the territorial limits of the district of the State in which the action is brought.

(12) In any proceeding for criminal contempt for violation of an injunction or restraining order issued under this section, trial shall be by the court, or, upon demand of the accused, by a jury, conducted in accordance with the provisions of rule 42(b) of the Federal Rules of Criminal Procedure.

(13) The provisions of this subsection shall not affect chapter 51 of this title or any regulation promulgated by the Secretary under chapter 51.

(14) As used in this subsection, the term "commercial motor vehicle", "employee", "employer", and "State" have the meaning such terms have under section 31132 of this title.

§ 522. Reporting and record keeping violations

A person required to make a report to the Secretary of Transportation, or make, prepare, or preserve a record, under section 504 of this title about transportation by rail carrier, that knowingly and willfully (1) makes a false entry in the report or record, (2) destroys, mutilates, changes, or by another means falsifies the record, (3) does not enter business related facts and transactions in the record, (4) makes, prepares, or preserves the record in violation of a regulation or order of the Secretary, or (5) files a false report or record with the Secretary, shall be fined not more than \$5,000, imprisoned for not more than 2 year, or both.

§ 523. Unlawful disclosure of information

(a) A motor carrier, or an officer, receiver, trustee, lessee, or employee of that carrier, or another person authorized by that carrier to receive information from that carrier, may not knowingly disclose to another person (except the shipper or consignee), and another person may not solicit, or knowingly receive, information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that carrier without the consent of the shipper or consignee if that information may be used to the detriment of the shipper or consignee or may disclose improperly to a competitor the business transactions of the shipper or consignee.

(b) This chapter does not prevent a motor carrier, motor carrier of migrant workers, or motor private carrier from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United State Government, a State, or a territory or possession of the United States; and

(3) to another motor carrier, motor carrier of migrant workers, or motor private carrier, or its agent, to adjust mutual traffic accounts in the ordinary course of business.

(c) An employee of the Secretary of Transportation delegated to make an inspection under section 504 of this title who knowingly discloses information acquired during that inspection, except as directed by the Secretary, a court, or a judge of that court, shall be fined not more than \$500, imprisoned for not more than 6 months, or both.

§ 524. Evasion of regulation of motor carriers

A person, or an officer, employee, or agent of that person, that by any means knowingly and willfully tries to evade regulation of motor carriers under this chapter shall be fined at least \$200 but not more than \$500 for the first violation and at least \$250 but not more than \$2,000 for a subsequent violation.

§ 525. Disobedience to subpoenas

A motor carrier, motor carrier of migrant workers, or motor private carrier not obeying a subpoena or requirement of the Secretary of Transportation under this chapter to appear and testify or produce records shall be fined at least \$100 but not more than \$5,000, imprisoned for not more than one year, or both.

§ 526. General criminal penalty when specific penalty not provided

When another criminal penalty is not provided a provision of this chapter, subchapter III of chapter 311 (except sections 31138 and 31139), or section 31502 of this title, a person that knowingly and willfully violates any of those provisions or a regulation or order of the Secretary of Transportation under any of those provisions, related to transportation by motor carrier, motor carrier of migrant workers, or motor private carrier, shall be fined at least \$100 but not more than \$500 for the first violation and at least \$200 but not more than \$500 for a subsequent violation. (c) CHAIRMAN.—(1) There shall be at the head of the Board a Chairman, who shall be designated by the President from among the members of the Board. The Chairman shall receive compensation at the rate prescribed for level III of the Executive Schedule under section 5314 of title 5.

(2) Subject to the general policies, decisions, findings, and determinations of the Board, the Chairman shall be responsible for administering the Board. The Chairman may delegate the powers granted under this paragraph to an officer, employee, or office of the Board. The Chairman shall—

(A) appoint and supervise, other than regular and full-time employees in the immediate offices of another member, the officers and employees of the Board, including attorneys to provide legal aid and service to the Board and its members, and to represent the Board in any case in court;

§ 703. Administrative provisions

(a) EXECUTIVE REORGANIZATION.—Chapter 9 of title 5, United States Code, shall apply to the Board in the same manner as it does to an independent regulatory agency, and the Board shall be an establishment of the United States Government.

(b) OPEN MEETINGS.—For purposes of section 552b of title 5, United States Code, the Board shall be deemed to be an agency.

(c) INDEPENDENCE.—In the performance of their functions, the members, employees, and other personnel of the Board shall not be responsible to or subject to the supervision or direction of any officer, employee, or agent of any other part of the Department of Transportation.

(d) REPRESENTATION BY ATTORNEYS.—Attorneys designated by the Chairman of the Board may appear for, and represent the Board in, any civil action brought in connection with any function carried out by the Board pursuant to this chapter or subtitle IV or as otherwise authorized by law.

(e) ADMISSION TO PRACTICE.—Subject to section 500 of title 5, the Board may regulate the admission of individuals to practice before it and may impose a reasonable admission fee.

(f) BUDGET REQUESTS.—In each annual request for appropriations by the President, the Secretary of Transportation shall identify the portion thereof intended for the support of the Board and include a statement by the Board—

(2) an assessment of the budgetary needs of the Board.

(g) DIRECT TRANSMITTAL TO CONGRESS.—The Board shall transmit to Congress copies of budget estimates, requests, and information (including personnel needs), legislative recommendations, prepared testimony for congressional hearings, and comments on legislation at the same time they are sent to the Secretary of Transportation. § 704. Annual report

The Board shall annually transmit to the Congress a report on its activities.

§ 705. Authorization of appropriations

There are authorized to be appropriated for the activities of the Board—

- (1) \$8,421,000 for fiscal year 1996;
- (2) \$12,000,000 for fiscal year 1997; and
- (3) \$12,000,000 for fiscal year 1998.

§ 706. Reporting official action

(a) REPORTS ON PROCEEDINGS.—The Board shall make a written report of each proceeding conducted on complaint or on its own initiative and furnish a copy to each party to that proceeding. The report shall include the findings, conclusions, and the order of the Board and, if damages are awarded, the findings of fact supporting the award. The Board may have its reports published for public use. A published report of the Board is competent evidence of its contents.

(b) SPECIAL RULES FOR MATTERS RELATED TO RAIL CARRIERS.—
(1) When action of the Board in a matter related to a rail carrier is taken by the Board, an individual member of the Board, or another individual or group of individuals designated to take official action for the Board, the written statement of that action (including a report, order, decision and order, vote, notice, letter, policy statement, or regulation) shall indicate—

(A) the official designation of the individual or group taking the action;

(B) the name of each individual taking, or participating in taking, the action; and

(C) the vote or position of each participating individual.

(2) If an individual member of a group taking an official action referred to in paragraph (1) does not participate in it, the written statement of the action shall indicate that the member did not participate. An individual participating in taking an official action is

entitled to express the views of that individual as part of the written statement of the action. In addition to any publication of the written statement, it shall be made available to the public under section 552(a) of title 5.

SUBCHAPTER II—ADMINISTRATIVE

§ 721. Powers

(a) IN GENERAL.—The Board shall carry out this chapter and subtitle IV. Enumeration of a power of the Board in this chapter or subtitle IV does not exclude another power the Board may have in carrying out this chapter or subtitle IV. The Board may prescribe regulations in carrying out this chapter and subtitle IV.

(b) INQUIRIES, REPORTS, AND ORDERS.—The Board may—

(1) inquire into and report on the management of the business of carriers providing transportation and services subject to subtitle IV;

(2) inquire into and report on the management of the business of a person controlling, controlled by, or under common control with those carriers to the extent that the business of that person is related to the management of the business of that carrier;

(4) when necessary to prevent irreparable harm, issue an appropriate order without regard to subchapter II of chapter 5 of title 5.

(c) SUBPOENA WITNESSES.—(1) The Board may subpoena witnesses and records related to a proceeding of the Board from any place in the United States, to the designated place of the proceeding. If a witness disobeys a subpoena, the Board, or a party to a proceeding before the Board, may petition a court of the United States to enforce that subpoena.

(2) The district courts of the United States have jurisdiction to enforce a subpoena issued under this section. Trial is in the district in which the proceeding is conducted. The court may punish a refusal to obey a subpoena as a contempt of court.

(d) DEPOSITIONS.—(1) In a proceeding, the Board may take the testimony of a witness by deposition and may order the witness to produce records. The members of the Council shall be appointed as follows:

(1) The members of the Council shall be appointed from among citizens of the United States who are not regular full-time employees of the United States and shall be selected for appointment so as to provide as nearly as practicable a broad representation of the various segments of the railroad and rail shipper industries.

(2) Nine of the members shall be appointed from senior executive officers of organizations engaged in the railroad and rail shipping industries, which 9 members shall be the voting members of the Council. Council action and Council positions shall be determined by a majority vote of the members present. A majority of such voting members shall constitute a quorum. Of such 9 voting members—

(A) at least 4 shall be representative of small shippers (as determined by the Chairman); and

(B) at least 4 shall be representative of Class II or III railroads.

(3) The remaining 6 members of the Council shall serve in a nonvoting advisory capacity only, but shall be entitled to participate in Council deliberations. Of the remaining members—

(B) 3 shall be representative of large shipper organizations (as determined by the Chairman).

(4) The Secretary of Transportation and the members of the Board shall serve as ex officio, nonvoting members of the Council. The Council shall not be subject to the Federal Advisory Committee Act. In the event that the Council Chairman is unable to serve, the Vice Chairman shall act as Council Chairman.

(d) EXPENSES.—(1) The members of the Council shall receive no compensation for their services as such, but upon request by the Council Chairman, based on a showing of significant economic burden, the Secretary of Transportation or the Chairman of the Board, to the extent provided in advance in appropriation Acts, may provide reasonable and necessary travel expenses for such individual Council members from Department or Board funding sources in order to foster balanced representation on the Council.

(3) The Council may solicit and use private funding for its activities, subject to this subsection.

(4) Prior to making any Federal funding requests, the Council Chairman shall undertake best efforts to fund such activities privately unless the Council Chairman determines that such private funding would create a conflict of interest, or the appearance thereof, or is otherwise impractical. The Council Chairman shall not request funding from any Federal agency without providing written justification as to why private funding would create any such conflict or appearance, or is otherwise impractical.

(5) To enable the Council to carry out its functions—

(A) the Council Chairman may request directly from any Federal agency such personnel, information, services, or facilities, on a compensated or uncompensated basis, as the Council Chairman determines necessary to carry out the functions of the Council;

(B) each Federal agency may, in its discretion, furnish the Council with such information, services, and facilities as the Council Chairman may request to the extent permitted by law and within the limits of available funds; and

(C) each Federal agency may, in its discretion, detail to temporary duty with the Council, such personnel as the Council Chairman may request for carrying out the functions of the Council, each such detail to be without loss of seniority, pay, or other employee status.

(e) MEETINGS.—The Council shall meet at least semi-annually and shall hold other meetings at the call of the Council Chairman. Appropriate Federal facilities, where available, may be used for such meetings. Whenever the Council, or a committee of the Council, considers matters that affect the jurisdictional interests of Federal agencies that are not represented on the Council, the Council Chairman may invite the heads of such agencies, or their designees, to participate in the deliberations of the Council.

(f) FUNCTIONS AND DUTIES; ANNUAL REPORT.—(1) The Council shall advise the Secretary, the Chairman, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives with respect to rail transportation policy issues it considers significant, with particular attention to issues of importance to small shippers and small railroads, including car supply, rates, competition, and effective procedures for addressing legitimate shipper and other claims.

(2) To the extent the Council addresses specific grain car issues, it shall coordinate such activities with the National Grain Car Council. The Secretary and Chairman shall cooperate with the Council to provide research, technical and other reasonable support

in developing any reports and policy statements required or authorized by this subsection.

(3) The Council shall endeavor to develop within the private sector mechanisms to prevent, or identify and effectively address, obstacles to the most effective and efficient transportation system practicable.

(4) The Council shall prepare an annual report concerning its activities and the results of Council efforts to resolve industry issues, and propose whatever regulatory or legislative relief it considers appropriate. The Council shall include in the annual report such recommendations as it considers appropriate with respect to the performance of the Secretary and Chairman under this chapter, and with respect to the operation and effectiveness of meetings and industry developments relating to the Council's efforts, and such other information as it considers appropriate. Such annual reports shall be reviewed by the Secretary and Chairman, and shall include the Secretary's and Chairman's views or comments relating to—

- (A) the accuracy of information therein;
- (B) Council efforts and reasonableness of Council positions and actions; and
- (C) any other aspects of the Council's work as they may consider appropriate.

The Council may prepare other reports or develop policy statements as the Council considers appropriate. An annual report shall be submitted for each fiscal year and shall be submitted to the Secretary and Chairman within 90 days after the end of the fiscal year. Other such reports and statements may be submitted as the Council considers appropriate.
